Create a New Page for OMG (e.g. *DDS*) **Acronym** →	You are not allowed to add pages

The Object Management Group® (OMG®) is an international, open membership, not-for-profit technology standards consortium.

Founded in 1989, OMG standards are driven by vendors, end-users, academic institutions and government agencies. OMG Task Forces develop enterprise integration standards for a wide range of technologies and an even wider range of industries.
