

Applications

[return to the Public Area](#)

DDS is used in many kinds of industries and is used in many different applications within those industries. A major goals of the DDS Foundation are promoting industry-specific:

- **adaptations and implementations**
- **use-case libraries**
- **data models**

To accomplish this goal, this area focuses on existing Applications that use DDS.

Areas of Interest

- [Aerospace and Defense](#)
- [Automotive](#)
- [Buildings](#)
- [Smart Cities and Environment](#)
